EMBROIDERY, SCREEN PRINTING, DIRECT DIGITAL GARMENT PRINTING!

- ➔ Applique!
- ➔ Puff Embroidery/3D!

Our Equipment and Services:

Industrial Embroidery machine – 4 head and a single head. We brought in the second single head very recently to keep all four heads running during sample runs and allowing us to still offer "no minimum order" to our customers. Besides the beautiful embroidery created, we also offer Puff/3D and applique.

Wide Format Printer/Plotter – superb detail/print quality allowing us to create full color graphics for logo detail on vinyl applications. We can create full signage for your business and fleet. Vehicle graphics right down to Banners, GVWs and Tares, A-Frames, Hard Hat stickers and safety reflective signage. We use top grade vinyl and technology to ensure high quality results.

Direct Digital Garment Printing/Screen Printing/CadCut: With these technologies we are able to put full color graphics onto an assortment of fabric and items. We can also do unique items for small runs. And, it allows us to do all team wear – jerseys, track suits, ball uniforms with your artwork or let us create it for you.

Pad Printing: We do in-house pad printing. We can print on virtually any shape or surface. ie. disposable drink cups, travel mugs, eye clips, fridge magnet clips. We do it in-house allowing us to do smaller orders and allows us to ensure quality control.

Crystal Creations: Crystal Creations creates a beautiful memorable gift. A picture of any kind that you provide via email or scanned, and incorporated onto a crystal of any size or shape that you choose. Be sure to stop by the store and put in your order with Carla . . . these are going to be very busy over Christmas – get your order in early.

Wall Art – This is new to our business – and we are very excited to offer it. It is the latest in home, office, or classroom décor. Quick & easy to apply pre-spaced vinyl wall lettering. The look of hand painted / stenciled words on your walls without the work! For use on walls, glass, mirrors, furniture, ceramic tile, metal, wood, porcelain and all home decor! Paper thin and removable. Inspire yourself and others with daily reflections of favorite quotes or personalized words.
